TECHNICAL DATA SHEET

XPS Niches

330x330 mm

PRODUCT DESCRIPTION

The CALDO XPS Niches are made from an extruded polystyrene (XPS), layered on either side with a cement polymer mortar which is embedded with a fibreglass mesh. CALDO XPS niches are used to save space and reclaim bathrooms. Built-in shower niches are a stylish and stable way to handle bathroom storage issues.

Available in 2 sizes.

SIMPLE AND EASY TO INSTALL

CALDO Niches are simple and easy to install. They come as a sealed waterproof box. Within the interior use a BRANZ Appraised waterproofing membrane appraised for use in wet areas.

INSTALLATION

For fixing CALDO niches use CALDO hybrid adhesive and CALDO screws and washers.

Once the screws and washer are installed cover them with a thin bead of CALDO hybrid adhesive.

PACKING

Separate cartoon boxes for each niche.

STORAGE

These must be stored indoor, up/off concrete floors, in dry conditions, out of direct sunlight and extreme temperatures.

PRODUCT DIMENSIONS

330x330 mm (internal measurements)
